HTP1679

The Tower is a lightweight harness designed for a multitude of applications including; tower work, pole work, linesman, rescue, fall arrest and confined space. A comfortable and easy fitting harness, the Tower includes a work positioning saddle and waist belt ensuring the weight is spread evenly for maximum comfort.

Our advanced 3D moisture-wicking mesh fabric provides advanced breathability and also integrates twICEme, a digital feature that makes your vital info easily accessible in an emergency with a tap of a smartphone using NFC* (available late 2021).

RATING: 140kg

LIFESPAN: Up to 10 Years
