

TRADESMAN X

MULTI-PURPOSE HARNESS / 180KG RATED

FRONT FALL ARREST ATTACHMENT POINT

QUICK CONNECT BUCKLES

HTXP017

The Tradesman X Multi Purpose Harness is a simple, effective 180kg rated harness for the trades person that carries out short periods of fall arrest work.

This full-body harness features front and rear fall arrest attachment points and quick connect buckles on the legs and chest.

With durable non-slip polyester webbing construction for a secure fit, the Tradesman X harness is ideal for general construction, roofing and general industrial applications.
