OX SCREW

SCREW GATE OVAL CARABINER

PJ501

Marked with individual serial numbers.

SKB500

The ZERO® AllTrade Kit is an excellent multi-purpose safety kit for painters, builders, maintenance and construction workers, enabling the user to attach to scaffolding, structural anchor points, safe roof access and work in confined spaces.

The AllTrade Rescue Harness is versatile and functional for a range of work including rescue capabilities with forged steel rescue loops on the shoulders. The ZERO® ScaffPro twin-tailed elasticated lanyard provides unhindered movement when not in use and the Ventura rope line has a built-in ZERO® energy absorption system with a self-locking rope grab. The kit is completed with a webbing sling, carabiners and packaged in our heavy-duty ventilated kit bag.
