MANTA 3

Multi-role SAR helmet

MH3

Ready for the toughest of work environments, the Manta Extreme helmet has been specially developed for high risk and multi role work. The Manta meets extreme rescue standards with a high level of impact protection and integrates a retractable visor. A larger visor can be mounted via a dome attachment system.

LIFESPAN: Up to 10 Years

CERTIFICATION:

EN12492:2012 Mountaineering helmet
 PAS028:2002 Marine safety helmet
 FS/ATVI Quad & ATV Helmet (UK only)
